

Decline Travel Protection Plan

If you choose not to purchase Travelers Travel Protection Plan at this time, please sign this form acknowledge that you were offered, and are declining travel insurance. Dreams Come True Travel, LLC is notable for any additional expense which you may occur, and all regular penalties will apply.

- Please bear in mind that most health insurance coverage does not provide coverage out of the country. If they do, it is typically considered out of network
- Credit Card Insurance coverage is usually minimal and may not have much coverage (if any at all)
- Most hospitals in other entries will not even start medical treatment (including emergency situations)without a large deposit upfront (Travelers Insurance wires money directly to the hospital in emergencies)

There are two types of insurance plans:

■ Emergency Medical Coverage During Travel:

- You will have coverage for emergency medical expenses & medical evacuation during travel (this act as primary insurance and does NOT have a deductible

■ Trip Cancellation Prior & Emergency Medical Coverage During Travel:

- This plan reimburses you for your non-refundable trip costs prior to your trip, if cancelling for a covered reason
- You WIL have coverage for emergency medical expenses & medical evacuation during travel (this acts as a primary insurance and does NOT have a deductible).

Travel Insurance will excluded preexisting medical conditions, less added within 21 days from date of your initial deposit. Travel Insurance **always** excludes pregnancy & mental illness. As always, you must be fit to travel at the time of booking and not traveling against the advice of a physician.

The policy always goes into effect 24-hours **after** purchase. If you choose to add it later, I will need it in writing) via email). I will acknowledge via email within 24 business hours, verbal confirmation will not be honored (to avoid any confusion later).

A signature below indicates that you have been offered Travelers Insurance, understand the risk and are declining the policy. Travelers Insurance is always non-refundable.
